Campus Scholarships

Campus scholarship are listed on this page: <http://www.umaryland.edu/fin/awards/scholarships/>. Here, you will find eligibility information and financial details about the endowed scholarships UMB offers. Students who choose to apply for a scholarship will respond to a series of questions to determine eligibility, then submit their application materials. The required materials for all endowed scholarships are the same, so students will be able to apply for up to six awards at one time; the application form will retain their eligibility information for use in the review process.

The application period for UMB endowed scholarships will end on May 31, 2017. Applications will be reviewed by a selection committee, and winners will be identified by July 1, 2017.
